TREATMENT

ADIRYAN KAYA

## ABOUT US

Adiryana Kaya is the most trusted brand from past 20 years. The best things about Adiryana Kaya is all the products and treatments are done organically. The products are customized according to your hair and skin need. All the products will be tested and done by our scientist herself in the lab .

We expertise in pigmentation, skin lightening , skin brightening, acne control , scar treatment , undereye dark circles, antiwrinkle treatments, stretch mark reduction and all the skin related products and treatments are done . we expertise in bridal glow. Our facials are done organically, no machines or other brands used. And we assure you the best results.

Anti- hair fall treatment, hair growth treatment, antidandruff treatment, hair softening treatment also done at Adiryana Kaya. We guarantee satisfactory result.

## HOW ARE WE DIFFERENT ?

We customise every product keeping your hair and skin need. We use organic plant based raw materials and do not use artificial chemicals to give you short lived results and preserve the products. We believe in fulfilling the skin and hair need for a satisfactory result. We also keep analysing your results and replenish the product as per the requirement. Our raw materials are certified and quality control is in check.
